

The Original Color Chips

FLOORSHINE

TECHNICAL DATA

Product Description:

The Original Color Chips Floorshine™ is the ultimate floor finish. A 25% solids, metal crosslinked, polymer finish will make your floors look wet even when they are dry. Some of the benefits of using Floorshine are:

- superior protection
- durability
- reparability
- black mark & detergent resistant
- ultra high gloss
- water resistant
- non buffable
- non scuffing
- self-leveling
- use with or without sealer
- slip resistant (exceeds ASTM standard D2047-82)
- most suited to high traffic areas
- performs exceptionally well with either spray buffing or high speed buffing
- V.O.C. Compliant

Where to use:

vinyl & vinyl asbestos asphalt tile concrete linoleum
sealed terrazzo rubber composition tile wood

Directions for use:

Apply a thin uniform coat of finish to floor with new rayon mop. Allow to dry approximately 30 minutes. We recommend applying 3-4 uniform coats in this manner. Never pour left over finish back into the container to avoid contamination.
